Looking forward to hearing your talented students. We have only 2 hours total for the concert program, so please limit the total duration of students per teacher to 20 minutes maximum, including a 1-minute space necessary between students. A teacher can present as many students as possible within these 20 minutes, unless the total program adds up to less than 2 hours. Please be true to the duration time. If we exceed the rental time slot, we must pay an additional hourly fee. Thank you for understanding! *This year, we are allowing students to play duets with their family members!
